

PRODUCT CATALOG

NovoSciTM

Manufacturing, packaging and
distributing a complete line of
single-use, disposable medical products
used in cardiovascular and general surgery, all proudly
assembled in the USA at our facility in Conroe Texas.

Innovative Products for Better Patient Outcomes

www.NovoSci.com

NovoSci™ manufactures, packages and distributes a complete line of single-use, disposable medical products used in cardiovascular and general surgery.

Contract Manufacturing

From concept development to custom assembly, **NovoSci™** OEM services provides medical device manufacturers with the widest range of solutions, broad resources, and unsurpassed customer service.

For over 30 years, medical device manufacturers around the world have turned to **NovoSci™** for cost-effective custom manufacturing and assembly needs.

Whether you are a startup or a growing company, we offer a strategic partnership based on quality and integrity.

We have the quality workmanship and expertise needed to design, develop and manufacture custom products to your specifications in our Class 10,000 Clean Room. Our innovative, custom solutions offer the lowest cost possible coupled with the flexibility and speed to meet our clients' demands. Our state-of-the-art production facilities are structured to produce on a low-volume, quick-turn around basis, as well as on high-volume, large-scale production basis. Regardless of your requirements, we provide rapid response time, thoughtful customer service and on-time delivery.

Quality Policy

NovoSci™ Corporation is committed to meeting customer requirements and expectations through continual improvement of its products and services while maintaining the effectiveness of its Quality Management System.

TERMS AND CONDITIONS

Prices: Prices are subject to change without prior notice. All applicable taxes will be charged. All prices are quoted FOB shipping point. The minimum shipping quantity is one full case of any single item.

Payment: Net 30 Days with approved credit terms by NovoSci Accounting Dept.

Freight: FOB shipping point (prepaid and billed). If merchandise has been damaged in transit, please instruct your freight carrier; then notify Customer Service for further instructions. The buyer assumes title and owns the goods in transit, pays the freight bill and handles any necessary claims for loss or damage.

Minimum Order: There is a \$100.00 minimum for disposable products orders. Orders less than \$100 will be subject to a \$25 handling fee.

Delivery Time: 5-7 Days Normal Ground Shipping

RETURNED GOODS POLICY

NovoSci is committed to providing our customers with quality products and service. Therefore, we will accept for full credit any product for return that:

a) Is a result of an error by NovoSci.

b) Does not perform satisfactorily for the purposes and indications described in the labeling.

Except for the reasons listed above any other requested returns must receive prior approval by NovoSci management and will be subject to a 20% handling and restocking fee.

The following merchandise is not acceptable for return:

a) Items returned without proper authorization documentation

b) Sterile items that are returned without the manufacturing seals intact.

c) Special order and custom order products

d) Incomplete kits or cases, or merchandise returned in packaging other than the original NovoSci package

e) After being held by the customer for more than 90 days from the date of original purchase

f) Merchandise in un-saleable condition as determined by NovoSci upon return

Authorization is required for all returns and may be obtained through Customer Service by calling 1.800.854.0567. A Returned Goods Authorization number will be issued. This number must be referenced on all returned packages. Freight on all returns must be prepaid by the customer or by the instruction of Customer Service.

Return Address for All Products: Attn: RGA # _____
NovoSci
2021 Airport Road
Conroe, TX 77301

As part of an ongoing effort to improve the quality of our products, we would like any defective product to be returned for evaluation. NovoSci will issue credit or replacement upon receipt of the defective product.

Caution: Federal (USA) law restricts these devices to sale by or on the order of a physician. Refer to current package insert for production descriptions, indications, contraindications, warnings, cautions and instructions for use.
